Canadä

Trade-marks Journal

Vol. 64 No. 3287

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

EFYOS

Goods

Class 01

(1) Cellulose; unprocessed cellulose acetate; chemical cellulose derivatives; cellulose esters for industrial use; cellulose ethers for industrial use; acids; filtering materials, namely unprocessed plastics, filtering chemicals, namely polyethylene and polyethylene foam; filtering materials, namely media filters for the construction industry; unprocessed plastics; dispersions of plastics used in the composition of paints, varnishes, coatings, adhesives; adhesives for industry, namely polyurethane adhesives, adhesives for use in the construction industry; glues for the construction industry; glues for insulation panels; glues for insulation materials; chemicals for industry, namely concrete aeration chemicals, waterproofing chemicals for wood and other construction materials, chemicals for welding; unprocessed artificial resins; unprocessed synthetic resins; liquid rubber; preparations for damp-proofing cement and concrete, except paints; chemicals for preserving masonry, bricks, cement, concrete and tiles, except paints and oils; damp-proofing chemicals, except paints, for masonry; chemicals for protecting bituminous construction products from light and the sun; fire extinguishing compositions; chemical compounds for preventing fires, namely fire-retardant chemicals; filter aids made from expanded perlite; rot-proof perlite.

Class 02

(2) Raw natural resins; anti-rust preparations, namely anti-rust coating, anti-rust oils; adhesive protective strips containing an anti-corrosive coating used in the field of construction; coatings for tarred felt, namely epoxy coating for use on concrete industrial floors, anti-corrosive paint, non-slip paint; gum resins.

Class 06

(3) Aluminum and its alloys; metal frames for construction, namely door frames of metal; frames of metal for construction, namely window frames of metal, door frames of metal; metal partitions, namely metal window jambs, building panels of metal; transportable buildings of metal, namely metal cladding for building, pre-fabricated houses made of metal, metal roof decking; metal crampons for construction; metal wall coverings for construction, namely metal covering, sheet metal linings.

Class 07

(4) Machines for public works, building and construction, namely cranes, concrete mixers, bulldozers, graders, power shovels, backhoes; machines for applying watertight coatings in the field of construction; machines for blowing and insufflating mineral wool and thermal insulators into walls and roofs in the field of construction; compressed air machines, namely compressed air guns for the extrusion of mastics, hydraulic hammers; compressed air motors for machines used in public works, building and construction, namely cranes, concrete mixers, bulldozers, graders, power shovels, backhoes and for machines used in applying watertight coatings in the field of construction; compressed air pumps; air compressors; sprayers, namely pressure washers; regulators, namely speed controllers for machines and motors and engines; pressure blowers, namely machine bellows, leaf blowers, snow blowers; mechanical rewinders for air hoses; electric welding machines; gas welding machines.

Class 17

(5) Insulating materials, for lagging, damp-proofing and sealing, membranes and compounds for sealing, damp-proofing and weatherization, namely caulking materials, insulating refractory materials, soundproofing materials of rock wool, joints for pipework, expansion joints, o-rings, dynamic seals; seal rings in the field of construction; adhesive strips other than for medicine, stationery or household use, namely adhesive anti-slip tape for flooring applications; insulating bands; weather strips; packing materials; barks for acoustic or thermal insulation; packing for masonry; stopping materials, namely sealing compounds for masonry and wood; insulating felt; fibreglass fabrics for insulation; fibreglass for insulation; plastic yarns and threads for non-textile use, namely soldering threads of plastic; filtering materials, namely plastic foam, semi-processed plastics; gutta-percha; compositions for insulating against humidity in buildings, namely thermal insulators; soundproofing materials; insulating paper; insulation materials, namely insulating paint, insulating paper, insulating tapes, insulating fabrics, insulating varnishes, insulators, slag wool, glass wool for insulation, mineral wool, vapour barrier insulant; semi-processed plastics; plastic film other than for packaging; padding and stuffing materials made of rubber or plastics; artificial resins for use in the field of construction; synthetic resins for use in the field of construction; insulating bases made from cement and expanded vermiculite; fire-resistant vermiculite boards.

Class 19

(6) Building and construction materials, not of metal, namely building timber, bricks, refractory concrete, roofing tiles, earthenware tiles, ceramic tiles, glass panels, plywood board, asphalt, non-metal building materials, namely pitch and bitumen, bituminous products for construction, namely bituminous coatings for roofs, asphalt felt for construction, bituminous coatings for roofing, non-metallic roof coverings, namely asphalt roofing paper, felt for building, tar, insulated glass for construction, non-metal wall coverings for construction, namely wood trim for interior cladding, parquet flooring made of wood, non-metal ceilings, namely ceiling boards of wood, non-metal ceiling panels, non-metal floors, namely bamboo flooring, laminate flooring, concrete floors, wooden flooring, marble flooring, non-metal coverings for construction, namely side coverings, vinyl flooring, bituminous products for roofs, namely bituminous coatings for roofing; building glass; transportable buildings not of metal, namely beams for construction, roofing for construction, ceilings for construction, partitions for construction, slabs for construction, floors for construction, posts for construction, tracks for construction, frames for construction, forms for construction, veneer wood for construction, slabs for construction, framework for roofing; construction panels, not of metal, namely chipboard, concrete panels, boards of gypsum plaster, glass panels, wallboards, wood panels, plastic floor panels; panels and plates made of polyurethane foam; elastomeric bitumen; insulation panels for supporting cladding, namely wallboards; insulation panels for sealing support, namely wallboards; pitch, asphalt, non-metal construction reinforcements, namely non-metal door frames, non-metal window frames, building timber.

Class 22

(7) Wadding for filtering, wadding for padding and stuffing upholstery, textile fibres, tarpaulins, namely brattice cloth, drop cloths.

Class 27

(8) Wall coverings, floors and flooring, namely anti-slip floor coverings for use on staircases, fabric wall coverings, vinyl floor coverings, carpet tiles for covering floors.

SERVICES

Class 37

(1) Installation, maintenance, and repair of insulating materials, lagging, waterproofing materials, sealing materials, and construction materials, construction services, in particular in the field of sealing, sealing services for construction, roofing work, cladding, information related to construction , supervision of construction work, building demolition, mounting of scaffolding, installation and repair of fire alarm devices, information related to repair, insulation services for construction, masonry.

Class 39

(2) Storage, packaging, transport by truck, by air, by water, delivery by truck, by air, by water, of building materials.

Class 41

(3) Training services related to construction, building materials, training services in the field of insulation and sealing.

Class 42

(4) Technical consulting related to the selection, use, implementation of building materials including technical calculations for optimizing the selection of building materials for specific architectural projects; technical consulting related to insulation and sealing; scientific and industrial research, research and development of new products; technical project studies, namely project manamgent in the field of construction; engineering services, namely mechanical engineering, engineering services in the field of construction; services for diagnosing existing insulation; diagnostic services for the selection of adequate insulants; thermal assessment reports made prior to and after the installation of new insulation; technical expertise and diagnostics rendered by engineers and technicians for evaluating, optimizing, and following up on the energy performance and consumption, the insulation, and the watertightness of constructions.

production of theatre shows; production of video games; proof reading of manuscripts; providing a web site featuring on-line computer games and information about computer games; providing a website featuring holistic assertiveness training; providing a website featuring information in the field of musical entertainment for children; providing a website featuring information in the field of television shows and movies; providing a website in the field of language training; providing a website in the field of movie reviews; providing amusement arcade services; providing amusement parks; providing an interactive website containing horse racing information; providing an interactive website in the field of early childhood education; providing an interactive website in the field of exercise; providing an Internet website portal featuring links to concert ticket information; providing an online website comprising news, editorials, and opinions concerning current events; providing animal exercise services; providing baseball fields; providing billiard rooms; providing bowling alleys; providing correspondence courses featuring language training; providing courses in the field of water management; providing dance halls; providing entertainment information in the field of television programming; providing entertainment news and information via a website in the field of skateboarding; providing facilities for hockey tournaments; providing go or shogi saloons; providing golf course facilities; providing golf facilities; providing gymnasiums; providing gymnastic facilities; providing horseback riding facilities; providing information about online degree programs; providing information in the field of entertainment relating to a recording artist via an online network; providing kara-oke facilities; providing karaoke facilities; providing karaoke services; providing mahjong parlors; providing obstacle course training gym facilities; providing on-line computer games; providing on-line non down loadable general feature magazines ; providing online non-downloadable comic books and graphic novels; providing pachinko parlors; providing ratings for television, movie, music, video and video game content; providing recreational areas in the nature of play areas for children; providing skating rink facilities; providing skating rinks ; providing ski slopes; providing slot machine parlors; providing sports arena facilities; providing swimming pool facilities; providing swimming pools; providing tennis court facilities; providing tennis courts; providing track and field facilities; providing water park services; providing weblogs in the field of music; providing wrestling news and information via a global computer network; providing zip line rides for recreational purposes; provision of children's playgrounds at service stations; provision of cinema facilities; publication and editing of printed matter; publication of books; publication of books, magazines, almanacs and journals; publication of brochures; publication of catalogs; publication of electronic books and journals on-line; publication of electronic magazines; publication of electronic newspapers accessible via a global computer network; publication of journals; publication of magazines; publication of musical texts; publication of papers in the field of second language training; publication of papers in the field of social science; publication of periodicals; publication of textbooks; publication of the editorial content of sites accessible via a global computer network; publishing and issuing scientific papers in relation to medical technology; publishing of books and magazines; publishing of books and reviews; publishing of electronic publications; publishing of journals, books and handbooks in the field of medicine; publishing of web magazines; radio program syndication; radioprogramming; record mastering; record production; recording studio services; recreational ski centre; rental of bounce houses; rental of cameras; rental of cinematographic machines; rental of diving equipment; rental of entertainment media in the nature of movies and films on DVDs; rental of game machines; rental of kites; rental of lighting for movie sets and film studios; rental of magazines; rental of movie projectors and their accessories; rental of overhead projectors; rental of paintings and calligraphic works; rental of phonographic and music recordings; rental of records; rental of roller skates; rental of ski equipment; rental of skin diving equipment; rental of sports equipment; rental of video cassette recorders; rental of video screens; rental of videotapes; rental of videotapes, videocassettes and videograms; running of museums; running seminars in the field of oncology; sale of concert tickets; sale of lottery tickets; screenplay writing; scriptwriting services; sign language interpretation; ski instruction; ski rentals; ski resorts; speech writing; Speech writing for non-advertising purposes; sport camp services; sports camps; sports instruction in the field of diving; sports instruction in the field of football; sports instruction in the field of gymnastics; sports instruction in the field of hockey; sports instruction in the field of marathon running; sports instruction in the field of swimming; sports instructions in the field of karate; sports refereeing; standardized educational testing; student exchange services; subtitling; summer camps; swimming instruction; Taekwondo instruction; tailoring and dressmaking instruction; tea ceremony instruction; teaching computer programming; teaching French as a second language; teaching physical fitness; television program syndication; television programming; tennis instruction; theatre management; theatre productions; theatrical and musical floor shows provided at performance venues; theatrical booking agencies; theatrical shows provided at performance venues; ticket reservation and booking of seats for entertainment, sporting and cultural events; timing of sporting events; timing of sports events; training for handling scientific instruments and apparatus for research in laboratories; training in public relations and in combatting forgery with a view to recognising fakes; training in the use and operation of agricultural equipment; training in the use and operation of computer equipment; training of satellite television technicians; training of specialists in the plumbing industry; translation; translation services; tutoring ; vehicle driving instruction; vehicle-driving instruction; video arcade services; video editing; video film production; video production; video recording services; video tape editing; video tape film production; videotape editing; videotaping; vocational education in the field of computers; vocational education in the field of food services; vocational education in the field of hospitality; vocational education in the field of mechanics; vocational guidance services; wagering services; webinars in the field of fashion shows; webinars in the field of tax seminars; wedding planning; winery tours; workshops and seminars in the field of art appreciation; workshops and seminars in the field of photography; workshops and seminars in the field of retirement planning; workshops and seminars in the field of technical writing; workshops and seminars in the field of will and estate planning; written text editing; yacht racing; yoga instruction; zoological garden services; zoos; advisory services in the field of product development and quality improvement of software; aerial surveying; agrochemical research services; aircraft design; aircraft engine oil analysis; analysis for oil research; analysis of stream water quality; analysis services for oil field exploration; animation design for others; archaeological exploration and research services; architectural consultancy; architectural consultancy services; architectural consultation; architectural design; architectural services; architecture; assessment and evaluation of inventions; authenticating coins; authenticating works of art; authentication of birth and death certificates; authentication of stamps; authentication of works of art; automobile diagnostic services; automobile engine oil analysis; automotive inspection services; bacteriological consultation, research and testing; bacteriological research; bacteriological research and analysis; basic and clinical research in the field of respiratory science and medicine; biochemical research and analysis; biomedical research services ; blood analysis services; building and maintaining websites; calibration of electronic equipment; calibration of industrial temperature controllers; calibration of laboratory equipment; cartography and mapping services; cartography services; chemical analysis; chemical engineering; chemical laboratories; chemical research; chemist services; civil engineering drawing services; classification of minerals; clinical trials; clothing design; cloud computing enabling file storage of payroll data; cloud computing photo sharing services; cloud computing provider services for general storage of data; cloud computing providing software for database management; cloud computing video hosting web sites; cloud computing web hosting services; cloud seeding; colour analysis for purposes of interior design; commercial art design; computer aided graphic design; computer aided imaging; computer animation production services; computer anti-virus protection services; computer design services; computer diagnostic services; computer disaster recovery planning; computer graphics design services; computer graphics digitization; computer graphics imaging; computer hardware and software design; computer hardware design; computer network configuration services; computer network design for others; computer network security services; computer programming; computer programming and maintenance of computer programs; computer programming and software design; computer programming consultancy; computer programming for others; computer programming in the medical field; computer programming of computer games; computer programming of video games; computer programming services; computer programming services for commercial analysis and reporting; computer rental; computer security consultancy; computer services in the form of filtering unwanted e-mails; computer site design services; computer software consultancy; computer software consulting; computer software design; computer software design and updating; computer software design for others; computer software installation and maintenance; computer software project management services; computer system design; computer systems design; computer systems integration services; computer systems monitoring services; computer time sharing; computer virus protection services; computer website design; conducting early evaluations in the field of new pharmaceuticals; conducting feasibility studies; construction drafting; construction planning; consultancy in the design and development of computer hardware; consultancy in the field of energy-saving; consultancy in the field of software design; consultancy in the field of webpage design; consultancy pertaining to pharmacology; consultation and research in the field of bacteriology; consultation and research in the field of geology; consultation services relating to computer software; consumer product safety testing services; conversion of data or documents from physical to electronic media; cosmetic research; cosmetic research services; creating and designing web pages for others; creating and maintaining blogs for others; creating and maintaining web sites for others; creating and maintaining weblogs for others; creating home pages for others; creating of computer programs for others; creating of home pages for computer networks for others; creating web pages for others; creation and maintenance of web sites for others; creation and provision of web pages to and for third parties; creation of control programs for automated measurement, assembly, adjustment, and related visualisation; creation of control programs for electric operation control and drive modules; creation of internet web sites for others; creation, design, development and maintenance of web sites for third parties; data decryption services; data encryption and decoding services; data encryption services; data migration services; database design and development; database development services; debugging computer software for others; design and creating web sites for others; design and development of computer game software; design and development of computer game software and virtual reality software; design and development of computer hardware; design and development of computer hardware and software; design and development of computer hardware for the manufacturing industries; design and development of computer software; design and development of computer software for supply chain logistics; design and development of computers and programs for computers; design and development of electronic data security systems; design and development of virtual reality software; design and development of wireless computer networks ; design and maintenance of computer sites for third parties; design and maintenance of web sites for others; design and testing of new products for others; design and writing of computer software; design of computer database; design of computer databases; design of computer programs and software for aircraft dashboards; design of computers; design of computers for others; design of geological surveys; design of home pages; design of homepages and websites; design of integrated circuits; design of interior decor; design of mobile telephones; design of optical and micro optical components; design of telephones; design sketching of dinnerware; design sketching of packaging containers; design sketching of table utensils; design, creation, hosting and maintenance of internet sites for third parties; design, creation, hosting, maintenance of websites for others; design, development and implementation of software; design, development, installation and maintenance of computer software; design, installation, updating and maintenance of computer software; design, maintenance, development and updating of computer software; design, planning and engineering of compressed-air stations; design, updating and rental of computer software; design, upgrading and rental of computer software; designing and creating web sites for others; designing and developing web pages on the internet for others; designing computer software for controlling self-service terminals; designing of packaging and wrapping materials; designing websites for the advertising purposes of others; developing and updating computer software; developing computer programs for electronic cash register systems; developing computer software; developing programs for simulating experiments or series of experiments in a virtual optical laboratory; development and creation of computer programmes for data processing; development and test of chemical production methods; development of computer games; development of computer hardware for computer games; development of computer programs recorded on software designed for use in construction and automated manufacturing (cad/cam); development of data processing programs by order of third parties; development of pharmaceutical preparations and medicines; development of software for secure network operations; development, design and updating of home pages; digital compression of computer data; digitization of documents; digitizing of photographs; DNA screening for scientific research purposes; document data transfer and conversion from one media to another.; document data transfer from one computer format to another; drafting and development of photovoltaic systems; drafting of construction plans for recreation premises; drafting services; drawing up of expert technical opinions in connection with oil deposits; dress design services; dress designing; duplication of computer programs; elaboration and maintenance of web sites for third parties; electronic digitizing of photographs into a computer readable media; electronic storage of medical records; electronic storage of photographic images; encoding of magnetic cards; energy auditing; energy auditing services; engineering surveying services; executing of chemical analyses; exploration and searching of oil and gas; farm surveying; fashion design consulting services; food safety auditing; food sanitation consultation services; footwear design services; gas exploration; gemological services; genetic engineering; genetic testing for scientific research purposes; geological prospecting; geological research; geological surveying; geological surveys; geophysical exploration for the gas industry; geophysical exploration for the mining industry; geophysical exploration for the oil industry; geophysical exploration for the oil, gas and mining industries; graphic art design; graphic arts design; graphic arts designing; graphic design; graphic illustration services for others; graphological analysis; greenhouse gas emission measuring and analysis; handwriting analysis; health inspection services; homepage and webpage design; hosting internet sites for others; hosting of web sites; hosting on-line web facilities for others; hosting websites on the internet; hydrological research; image processing software design; industrial and graphic art design; industrial design; information on the subject of scientific research in the field of biochemistry and biotechnology; inspection of fire alarm systems; inspection of oil fields; installation and maintenance of computer software; installation of computer software; installation, maintenance and repair of computer software; installation, maintenance and repair of Internet access software; installation, maintenance and repair of software for computer systems; installation, repair and maintenance of computer software; installing computer programs; integrated scientific research on vermin for greenhouses and harvest crops; interior decorating; interior design services; jewelry design; laboratory research in the field of bacteriology; laboratory research in the field of chemistry; laboratory research in the field of cosmetics; laboratory testing of materials; land and road surveying; land surveying; leasing of computer programs; leasing of computers; maintenance and updating of computer software; maintenance and upgrading of computer software ; maintenance of computer software; maintenance of computer software relating to computer security and prevention of computer risks; maintenance of computer software used for operating filling apparatus and machines; maintenance of software for Internet access; maintenance of websites for others; managing web sites for others; mapping services; marine chart updating; marine surveying; marine, aerial and land surveying; material testing; material testing services; materials testing and analysing; materials testing and evaluation; mechanical engineering; mechanical research in the field of motorsports; medical laboratory services; medical research services; mine exploration; mineral and oil assaying; mineral exploration services; mining surveying ; monitoring of computer systems by remote access; nuclear engineering; oil and gas well environmental analysis; oil burner inspection; oil exploration; oil field analysis; oil field surveying; oil prospecting; oil well logging and testing; oil well testing; oil well wirelining; oil-field surveys; oil-well testing; optical laboratories; packaging design; pharmaceutical evaluation services; pharmaceutical product evaluation; pharmaceutical research and development; pharmaceutical research services; photogrammetry services; physics research; pipeline inspection services; planning of buildings and infrastructure systems for buildings; platform as a service (PAAS) featuring computer software platforms for use in the field of financial services for trading derivatives; pollution prevention research; preparation, update, installation and maintenance of computer software; prevention of pollution testing; product design consulting services; product development services; product packaging design services; professional consulting services and advice about agricultural chemistry; providing an interactive website in the field of aerospace electronics; providing an interactive website in the field of astronomy; providing information by telephone in the field of weather forecasts; providing information on computer technology and programming via a web site; providing medical and scientific research information in the field of pharmaceuticals and clinical trials; providing meteorological information; providing quality assurance in the construction industry; providing quality assurance in the field of computer software; providing quality assurance in the food industry; providing quality control for the food industry; providing quality control of automobile parts; providing scientific information in the field of climate change; providing scientific information in the field of global warming; providing scientific information in the fields of climate change and global warming; providing technology information in the oil and gas industry; providing weather information; quality evaluation of standing timber; quality evaluation of wool; quality valuation of standing timber; radon detecting services; rental of a database server to third parties; rental of computer games; rental of computer hardware and computer peripherals; rental of computer software; rental of computers; rental of laboratory instruments; rental of software for data processing; rental of web servers; repair of damaged computer programs; research and development of new products for others; research and development of vaccines and medicines; research in the area of semiconductor processing technology; research in the field of chemistry; research in the field of environmental protection; research in the field of hair care; research in the field of physics; research in the field of welding; research on building construction; research on city planning; research on the subject of pharmaceuticals; research pertaining to mechanical engineering; sanitation engineering; scanning of documents; scientific research in the field of genetics and genetic engineering; shop interior design; software as a service (SAAS) provider in the field of providing customer relations management; software as a service (SAAS) provider in the field of software for small business accounting; software design and development; soil analysis; structural and functional analysis of genomes; surveying of mines; technical advice about steel; technical consultancy in relation to the production of semiconductors; technical consultancy in the field of environmental science; technical consultancy in the field of road cutting technology; technical consulting in the field of aerospace engineering; technical consulting in the field of pollution detection; technical research in the field of aeronautics; technical supervision and inspection in the field of geological mining; technical support in the form of monitoring global computer network systems; technical support services in the form of troubleshooting of computer hardware and software problems; technical surveying; technical writing; technological consulting services in the field of alternative energy generation; telemetry monitoring, alerting and record-keeping of space craft; testing of computer software; testing of computers; testing of filters; testing of toys; testing of two-way radio systems; testing, inspection and research of pharmaceuticals, cosmetics and foodstuffs; textile testing; theatre set design; theatrical set design; tool design; topographic survey; topographic surveying; toy design; updating of computer programs for third parties; updating of computer software; updating of software for data processing; updating websites for others; upgrading of computer software; urban planning; vehicle roadworthiness testing; veterinary laboratories; water quality control services; weather forecasting; weather information services; weather map interpreting; weather reporting; web hosting; web site design consultancy; website design; website design consultancy; website development for others; weighing of vehicles; writing and updating computer software; zoological research services; agency services for booking hotel accommodation; agency services for reservation of restaurants; agency services for restaurant reservations; bar services; bed and breakfast services; bistro services; boarding for animals; boarding for horses; boarding house bookings; boarding houses; booking of campground accommodation; booking of temporary campground accommodations; brasserie services; café services; cafe-restaurants; cafés; cafeteria services; cafeterias; canteen services; carry-out restaurants; catering for the provision of food and beverages; catering in fast food cafeterias; catering of food and drinks; catering services; child care centres; children's creche services; cocktail lounge services; coffee shop services; coffee shops; coffee supply services; coffee supply services for offices; coffeehouse services; creche services; dairy bar services; day care centers; dude ranches; emergency shelter services in the form of providing temporary housing ; fast food and non-stop restaurant services; fast-food restaurants; fast-food snack bars; food and drink catering; food sculpting; holiday camps; hostels; hotel accommodation services; hotel reservations; hotel room booking services; hotel services; hotel-motel services; hotels; housing services for seniors; ice cream parlors; infant nurseries; making hotel reservations for others; mobile restaurant services; motel services; motels; operating trailer park facilities; operation of a computer database featuring cooking; operation of a computer database in the field of cooking; operation of pubs; outside catering services; pet boarding; pet hotel services; pizza parlors; preschooler and infant care at daycare centers; providing banquet hall facilities; providing campground facilities; providing conference rooms; providing convention hall facilities; providing guesthouse services; providing meals to needy persons for charitable purposes; providing residential homes as temporary accommodations for individuals with autism; providing temporary accommodations and meals to clients of a health or beauty spa; providing temporary campground accommodations; providing temporary emergency shelter housing accommodations; providing temporary hospice accommodations; providing temporary hostel housing accommodations; providing temporary hotel accommodations; providing temporary housing accommodations for seniors; providing temporary lodging at holiday camps; providing temporary relief housing accommodations; pubs; rental of blankets; rental of carpet; rental of chairs, tables, table linen, glassware; rental of drink dispensing machines; rental of drinking water dispensers; rental of kitchen sinks; rental of pillows; rental of rooms as temporary living accommodations; rental of rugs; rental of temporary student housing accommodations; reservation of hotel rooms for travelers; reservation of restaurants; reservation of rooms for travellers; resort services; restaurant services; restaurant services featuring take-out services; restaurants; retirement homes; room and board services; self service restaurants; self-service restaurants; snack bar and canteen services; snack bar services; snack-bars; supplying meals to the homeless and underprivileged; take-out restaurant services; tea rooms; teahouse services; tourist inns; wine bars; youth hostel services; 3D biomedical imaging; acupressure therapy; acupuncture; acupuncture services; addiction treatment centre; addiction treatment services; aerial and surface spreading of fertilizers and other agricultural chemicals; animal breeding; animal grooming; animal grooming services; animal husbandry; aquaculture services; artificial insemination; artificial insemination services; barber shop services; barbershops; beautician services; beauty salons; behavioural analysis for medical purposes; blood bank services; blood banks; blood collection services; body piercing; body waxing services for hair removal in humans; body waxing services for the human body;
